

THE GREENWICH YACHT CLUB

WEDDINGS

2026

Welcome to Greenwich Yacht Club,
London's hidden riverside gem.

A photograph of a wooden sailboat on a pebbly beach. The boat is made of dark wood and has a tall mast with many ropes. It is tilted slightly to the right. In the background, there is a modern, multi-story building with large windows and a balcony, situated on a wooden pier or dock. The sky is blue with some white clouds. The text is overlaid on the right side of the image.

Greenwich Yacht Club was founded in 1908 by a group of Thames watermen and sailors. The first Clubhouse was situated on the beach adjacent to the current clubhouse in a large landed barge. In 1999 the Yacht Club moved to its current home on the ever changing peninsula and now boasts two fantastic venues...

THE GREENWICH YACHT CLUB

THE RIVER ROOMS

The River Rooms is our dedicated event venue made up of 3 adjoining spaces.

- The main hall
- The reception hall
- The outdoor decking

The rooms are hired as one and allow your day to flow seamlessly from one element to the next.

The sun terrace allows guests to enjoy the weather when the sun decides to shine and can host Barbeques and Hog Roasts if you want to mix up the catering a little. You can also put up a marquee if you don't want to gamble on the British weather.

The lounge bar gives everyone a place to relax and enjoy a drink whilst they mingle with all the guests.

Our main hall doubles up as our ceremony room. With its floor to ceiling windows the venue is light and bright and provides fantastic river views.

Concertina doors and a completely surrounding balcony means that guests can enjoy the river views to their hearts content.

Boating flags and nautical treasures and memorabilia adorn the ceiling and walls giving the hall a definite yachting theme and a breathtaking backdrop for your wedding.

The Clubhouse is our members bar and is therefore exclusively available from Wednesdays to Saturdays evenings.
